What A Trip!

It was an emotional but yet exciting start to the day for Year 6 as we set off on our breathtaking trip to Ingleton.

We arrived at Ingleton safely and ready to explore the countryside. First of all we went to the Wensleydale Creamery and found out how cheese was made (some of us even got to have a go at making cheese).

After we'd been to the Wensleydale Creamery we went to a museum, where we found out loads of interesting things about life in the olden days. Then we went for a walk around Hawes. Some of us had fun on the park until the other group came back from the Rope Factory, and then we swapped over.

On Tuesday we went on the Crinna Bottom Walk. It was a four mile walk (which felt quite long). The frustrating bit was that we had to turn round because there was a bull in one of the fields. There were also some cows blocking one of the stiles so Mr Fisher saved the day and stood there until they moved away from the stile.

We all managed to do the walk and were proud of ourselves and each other.

Wednesday was the day we went to White Scar Caves. I really enjoyed the caves - it was fun reading all the signs telling you what the rocks were. After that, we went to a small church called Stiles Dales Chapel. Then we went on a long 5 mile walk to the viaduct (Ribblehead walk). It wasn't all up hill so it wasn't that tiring. We also went to the train station to see the Settle to Carlisle railway.

It was Thursday when we went on the waterfall walk which was brilliant. We also went for a walk around Ingleton town and did some shecters from around Ingleton.

On Friday we went to Skipton Castle and found out how things work there and what used to happen. It was AMAZING. It was a fantastic trip. I loved every second. It was a great experience.

Start of the School Day

Please may I take this opportunity to remind you that school day officially starts at 8.40am. We ring the first bell at 8.35 to signify that the doors are open to come into school. The first lesson starts at 8.45am and all children must be in school and registered by this time.

There are a large number of children arriving at school as early as 10 past 8. These children are not being supervised by their parents and are left alone in the playground. Not only is it cold, but it is unsafe. Children in KS1 must be handed over to the class teacher and not left alone in the playground without a responsible adult. Please help us to keep your children safe.
