### Parental Feedback from Transition 2009

#### What went well:

- The information in the transition booklet was useful.
- It was all ok and informed us of the coming term.
- Everything explained well and what will be expected next year.
- Well presented and the booklet was easy to follow. Any questions I had were answered and my son is looking forward to moving up into his next class.
- I think it went really well. The transition meeting is a good idea, getting to know the teachers and be able to ask questions about his new class.
- We liked the relaxed format of the meeting. It was good to see examples of future work and the teacher was very welcoming and informative.
- Encouraging pupils to attend – they were really enthusiastic about the coming year.
- Finding out what my child will be doing.
- Meeting the new teacher and being advised on next year's curriculum.
- It was nice to receive information on what my child will do next year and to meet the new teacher.
- Information on what my child will be doing next year.
- Good clear and informative speech from the teacher.
- It all went well, especially how it was presented.

- Everything – I found it interesting and very informative.
- Very informative – booklet was an excellent idea as my husband couldn't attend but was able to read at home.
- It was nice to hear how the job share would work and find out what he will be learning next year.
- Informed, relaxed atmosphere – very informative teachers.
- Meeting new teacher and being advised of what is expected next year.

What we could do better next time:

- Explain some of the terminology (e.g. SEAL).
- Arrange a time straight after school.
